1.5 All of the Schedules to this Agreement constitute an integral part of this Agreement.

1.6 Unless the context otherwise requires, reference to any clause, sub-clause, or schedule is to a Clause, sub-Clause of or Schedule to this Agreement.

2. APPOINTMENT

2.1 The Company appoints Vendor as an independent contractor to provide the Services. Vendor accepts such appointment by the Company and Vendor agrees to provide the Services on the terms of this Agreement.

2.2 The appointment of Vendor commences on the effective date of this Agreement and will continue until 8th April 2026 or when this Agreement is otherwise terminated in accordance with its terms, whichever earlier ("**Term**").

2.3 Vendor will have discretion on a day-to-day basis as to the hours devoted by Vendor to the provision of the Services.

2.4 Vendor will provide the Services to the Company on a non-exclusive basis. This Agreement is not intended to create any mutuality of obligation in respect of the

Services, and the Company acknowledges that Vendor may undertake other contracts for services with third parties at any time, either during or after the Term for so long as the service for any such third party does not cause a breach of any of Vendor's obligations under this Agreement, and that Vendor may retain any fees and other monies in connection with the provision of such other services.

2.5 The Company may engage or employ other persons or firms to provide services that are similar to or the same as the Services.

3. SERVICES AND AUTHORITY OF THE VENDOR

3.1 In performing the Services under this Agreement, Vendor will comply with all applicable legislation, including those relating to anti-bribery and anti-corruption.

3.2 Vendor will perform the Services in accordance with this Agreement as an independent contractor and not as an agent of the Company, and Vendor shall not hold itself out as such.

4. FEES

In consideration for Vendor providing the Services, the Company will pay to Vendor the fees in accordance with the rates set out in Schedule 1 (the "**Fees**"). The Vendor shall submit invoices for the Fees to the Company on a monthly basis in arrears, setting out the applicable invoice number, the dates covered by the invoice, and a summary of the work performed. Unless disputed, the Company shall pay such invoices within thirty (30) days of receipt. Payment may be made, upon agreement between the Parties, fully or partially in fiat currency into a bank account designated by the Vendor and notified to the Company, in the Protocol's native token (NATIVE), in USDC virtual currency,

and/or in DAI virtual currency into a cryptographic wallet designated by the Vendor and notified to the Company (at a NATIVE, USDC, and/or DAI to fiat currency exchange

close rate 1 day prior to the payment date as published on http://messari.io).

5. EXPENSES

Vendor will pay all of its own expenses incurred in discharging its obligations under this Agreement, unless otherwise agreed with the Company from time to time. Where the Company agrees to reimburse Vendor for any expenses that are attributable directly to the performance of Services, the Vendor shall submit an itemized statement of such expenses together with its monthly invoices.

6. CONFIDENTIALITY

Concurrent with the execution of this Agreement, the Vendor shall enter into a confidentiality and non-disclosure agreement with the Company in the form set out in Schedule 2 ("**NDA**").

7. INTELLECTUAL PROPERTY

7.1 All Intellectual Property Rights in any and all Materials created, developed, or discovered by the Vendor in the course of performing the Services ("**Engagement IP**")

shall be owned solely by the Vendor. For the avoidance of doubt, Engagement IP includes any enhancements, refinements, or innovations to any Vendor tooling or fuzzing infrastructure created during the Term pursuant to the Services.

7.2 The Vendor grants to the Company and its Affiliates a perpetual, irrevocable, worldwide, royalty-free, fully paid-up, non-exclusive licence (with the right to sublicense) to use, copy, reproduce, modify, adapt, analyse, test, display, distribute, create derivative works from, and otherwise exploit the Engagement IP for any purpose connected to the Protocol, the Protocol ecosystem, internal research, security review, or any operational, technical, or organisational activity of the Company. This licence is unrestricted and shall survive termination of the Agreement. The Vendor warrants that it has and will maintain all rights necessary to grant the aforementioned licence and that the Engagement IP will not infringe the rights of any third party. For the avoidance of doubt, the Company may sublicense the Engagement IP to its Affiliates without restriction. Any sublicensing to any other third party shall require the Vendor's prior approval.

7.3 The Parties may separately discuss open-sourcing the SpecAgent or related tooling after the Engagement IP has served its intended purpose for the Company.

8. [DELETED]

9. TERMINATION

9.1 The Company may terminate this Agreement with immediate effect at any time by giving notice in writing to Vendor if:

(a) Vendor is in material or persistent breach of any of the provisions of this Agreement and the breach, if capable of remedy, has not been remedied within ten (10) Business Days after receipt by Vendor of notice requiring the breach to be remedied;

(b) Vendor has committed any act exposing the Company to liability to others for personal injury or property damage; or

(b) if an order is made or an effective resolution passed for the bankruptcy or winding up of the Vendor.

9.2 Either Party may terminate this Agreement by giving thirty (30) days' notice in writing to the other Party.

9.3 Upon the termination of this Agreement, Vendor will return to the Company any documentation, information and other property of the Company or any Affiliate in Vendor's possession or control and will not retain or permit any other person, firm, or other entity to retain any copies or extracts of such items.

9.4 Termination of this Agreement shall not release any Party hereto from any liability which at the time of termination has already accrued to the other Parties or which thereafter may accrue in respect of any act or omission prior to such termination or which has accrued in consequence of this clause 9.

10. TAX LIABILITIES

10.1 Vendor will be solely responsible for declaring and paying any tax liability, impost, or other liability to the relevant authorities in respect of the provision of the Services.

10.2 Vendor will hold harmless and indemnify the Company against any claims that may be made by the relevant authorities against the Company in respect of any tax liability, impost, or other liability in connection with the provision of the Services by Vendor.

11. ASSIGNMENT

Vendor may not, without the prior written consent of the Company, assign or pledge to a third party all or any part of Vendor's rights or benefits under this Agreement.

The arbitral award made and granted by the SIAC shall be final, binding, and incontestable and may be used as a basis for judgment thereon in any court. All costs of arbitration (including, without limitation, those incurred in the appointment of the arbitrator) shall be apportioned in the arbitral award.

17.3 This clause 17 shall survive the termination or expiration of this Agreement.

2.3 If the Vendor is requested pursuant to, or required by, applicable law, regulation or legal process to disclose any Confidential Information, the Vendor will notify the Company promptly so that the Company may seek a protective order or other appropriate remedy or, as the case may be and in the Company's sole and absolute discretion, waive compliance with the terms of this NDA as to the treatment of Confidential Information.

3. REMEDIES

The Vendor agrees monetary damages would not be a sufficient remedy for any breach of this NDA by the Vendor and that the Company shall be entitled to equitable relief, including injunction and specific performance, as well as reimbursement for legal and other expenses as a remedy for any such breach. Such remedies shall not be deemed to be the exclusive remedies for a breach of this NDA, but shall be in addition to all other remedies available at law or equity.
