AMENDMENT AND RESTATEMENT AGREEMENT

AUDITCO, INC.

VENTURECO VENTURE FUND I LP

1. ***Existing investment and effective date.*** This Amendment and Restatement Agreement (this "**Agreement**") is entered into as of October 19, 2026 by AuditCo, Inc., a Delaware corporation (the ?Company?), and VentureCo Venture Fund I LP (the "**Investor**"). The Company and the Investor entered into a Safe dated on or about October 12, 2026 with a Purchase Amount of $410,000, a Post-Money Valuation Cap of $14,000,000 and a Discount Rate of 85% (the "**Original Safe**"), together with the side letter dated October 12, 2026 (the "**Original Side Letter**"). The Company acknowledges receipt of the full $410,000 investment under the Original Safe. This Agreement becomes effective when executed and delivered by both parties (the "**Effective Time**"). Capitalized terms used in this Agreement and not otherwise defined have the meanings given in the Original Safe.

2. ***Amendment and restatement; allocation of existing consideration.*** At the Effective Time, the Original Safe is amended and restated in its entirety into the two replacement instruments attached as Exhibit A (the "**Nominal Safe**") and Exhibit B (the "**Cash Safe**," and together with the Nominal Safe, the "**Replacement Safes**"), and the Original Side Letter is amended and restated in its entirety as Exhibit C (the ?Restated Side Letter?). Of the $410,000 previously received, $2.25 is allocated to the Nominal Safe and $409,997.75 is allocated to the Cash Safe. Both Purchase Amounts are fully paid; no additional investment is due at signing. Any par-value payment expressly required under Exhibit A upon conversion is a separate future obligation. The Replacement Safes replace, and are not additional to, the Original Safe. Except upon reversion under Section 5, the Original Safe is superseded and may not separately be enforced for payment or conversion. Execution of this Agreement constitutes execution and delivery of Exhibits A, B and C, whether or not their separate signature pages are also signed.

3. Identified FundCo program package and closing deadline. ?FundCo Program Package? means solely the initial program investment by FundCo Fund II, LP, or an affiliated vehicle designated in its place for that same investment, consisting of (i) a nominal Safe with a $7.00 Purchase Amount and $100 Post-Money Valuation Cap and (ii) an uncapped, no-discount MFN Safe with a $750,000 Purchase Amount, together with the accompanying program side letter. It excludes any additional investment, follow-on financing, or amendment or replacement that materially changes those economic terms. ?FundCo Closing? means execution and delivery of binding documents for both identified FundCo Safes and receipt by the Company of the full $750,000 cash investment under the FundCo Program Package. The ?Closing Deadline? is 11:59 p.m. Pacific time on April 1, 2027, unless extended in a writing signed by the Company and the Investor before then. The Company shall promptly notify the Investor in writing of FundCo Closing, or of written rejection, termination or abandonment of the FundCo Program Package, and provide reasonable documentary evidence of closing on request.

4. ***Immediate operation and MFN elections.*** The Replacement Safes and Restated Side Letter are effective from the Effective Time. The MFN in Section 3 of Exhibit C applies to qualifying convertible securities issued after the Effective Time, including before FundCo Closing, subject only to its express exclusions. An MFN election amends the Cash Safe and does not convert it into Capital Stock or affect the Nominal Safe. The Company and the Investor consent in advance to the cancellation, reinstatement and allocation adjustments required by Section 5, without a further signature or payment.

5. Automatic reversion if FundCo does not close. If FundCo Closing has not occurred, a ?Reversion Event? occurs upon the earliest of: (a) written notice by the Company or FundCo that the FundCo Program Package has been rejected, terminated or abandoned; (b) expiration of the Closing Deadline without FundCo Closing; or (c) immediately before an Equity Financing, Liquidity Event or Dissolution Event would cause either Replacement Safe to convert, terminate or become payable before FundCo Closing. On a Reversion Event, both Replacement Safes and the Restated Side Letter automatically cease to have effect prospectively, and the Original Safe and Original Side Letter are reinstated in full on their terms immediately before the Effective Time, with the full $410,000 Purchase Amount deemed paid and outstanding under the Original Safe, and without further payment or action. No subsequent FundCo Closing revives the Replacement Safes without a further written agreement signed by the Company and the Investor. Any MFN election made solely under the Restated Side Letter before reversion ceases to have effect; it does not carry over to the Original Safe. The Original Side Letter is reinstated with its original MFN

provisions, notice requirements and election periods; no new election period is created for an expired notice. No FundCo-specific waiver in this Agreement or the Restated Side Letter survives reversion. Rights and liabilities accrued before reversion survive to the extent necessary to enforce this Agreement, excluding payment or conversion entitlements under the cancelled Replacement Safes and excluding any separate economic entitlement from a cancelled MFN election. A transaction described in clause (c) proceeds under the reinstated Original Safe and Original Side Letter.

6. Reciprocal FundCo MFN treatment. The exclusion of the FundCo Program Package in Section 3 of Exhibit C is limited to the Investor?s rights against the Company. It does not amend or waive any right of FundCo or another third party. Before FundCo Closing, the Company shall obtain any consent, amendment or exclusion required under the FundCo documents so that execution, issuance, amendment, cancellation or reinstatement of the instruments under this Agreement does not permit FundCo to adopt the Nominal Safe?s nominal valuation cap or otherwise replicate or enlarge the separately agreed nominal ownership allocation through its MFN.

7. ***Priority and amendments.*** Accrued claims under the Original Safe and Original Side Letter are not released. This Agreement controls any conflict with Exhibits A, B or C concerning the allocation of the existing investment, the FundCo condition, reversion or the scope of the FundCo exclusion. The Restated Side Letter controls the scope and exercise of the Cash Safe's MFN. This Agreement and the Restated Side Letter may be amended or waived only by a writing signed by the Company and the Investor. No amendment of a Replacement Safe by any other holders may amend or waive this Agreement, the Restated Side Letter, the $2.25 / $409,997.75 allocation or the reversion provisions.

8. ***General provisions.*** This Agreement, the Replacement Safes and the Restated Side Letter constitute the entire agreement concerning this restructuring, subject to the expressly preserved accrued claims and the reinstatement provisions above. Delaware law governs without regard to conflicts-of-law principles. Notices under this Agreement shall be delivered by email to the addresses in the signature blocks and are effective upon sending without a delivery-failure notice; addresses may be changed by written notice. This Agreement may be executed in counterparts and by electronic signature, each deemed an original and together one agreement. Each party represents that it has authority to enter into this Agreement.

IN WITNESS WHEREOF, the Company and the Investor have executed and delivered this Agreement, including Exhibits A, B and C.

EXHIBIT A – AMENDED AND RESTATED NOMINAL SAFE

THIS INSTRUMENT AND ANY SECURITIES ISSUABLE PURSUANT HERETO HAVE NOT BEEN REGISTERED UNDER THE SECURITIES ACT OF 1933, AS AMENDED (THE "**SECURITIES ACT**"), OR UNDER THE SECURITIES LAWS OF CERTAIN STATES. THESE SECURITIES MAY NOT BE OFFERED, SOLD OR OTHERWISE TRANSFERRED, PLEDGED OR HYPOTHECATED EXCEPT AS PERMITTED IN THIS SAFE AND UNDER THE ACT AND APPLICABLE STATE SECURITIES LAWS PURSUANT TO AN EFFECTIVE REGISTRATION STATEMENT OR AN EXEMPTION THEREFROM.

AUDITCO, INC.

AMENDED AND RESTATED SAFE
(Simple Agreement for Future Equity)

THIS CERTIFIES THAT, pursuant to the Amendment and Restatement Agreement dated October 19, 2026 between AuditCo, Inc. (the ?Company?) and VentureCo Venture Fund I LP (the ?Investor?) (the ?Restatement Agreement?), $2.25 of the Investor?s previously paid $410,000 investment is allocated to this Safe as its fully paid "**Purchase Amount**." This Safe is issued by the Company, a Delaware corporation, to the Investor as of the Effective Time defined in the Restatement Agreement, subject to its reversion provisions. It replaces a portion of the Original Safe and is not an additional $410,000 investment.

The "**Post-Money Valuation Cap**" is $100. See **Section 2** for certain additional defined terms.

1. ***Events***

(a) **Equity Financing**. If there is an Equity Financing before the termination of this Safe, on the initial closing of such Equity Financing, this Safe will automatically convert into the greater of: (1) the number of shares of Standard Preferred Stock equal to the Purchase Amount divided by the lowest price per share of the Standard Preferred Stock; or (2) the number of shares of Safe Preferred Stock equal to the Purchase Amount divided by the Safe Price.

In connection with the automatic conversion of this Safe into shares of Standard Preferred Stock or Safe Preferred Stock, the Investor will (A) if the Safe Price is less than the par value for a share of Safe Preferred Stock, make a payment in cash to the Company equal to the difference between the Safe Price and such par value multiplied by the number of shares of Safe Preferred Stock acquired upon conversion of this Safe and (B) execute and deliver to the Company all transaction documents related to the Equity Financing; *provided*, that such documents (i) are the same documents entered into with purchasers of Standard Preferred Stock, with appropriate variations for Safe Preferred Stock if applicable, and (ii) have customary exceptions to any drag-along applicable to the Investor, including limited representations, warranties, liability and indemnification obligations for the Investor.

(b) **Liquidity Event**. If there is a Liquidity Event before the termination of this Safe, the Investor will automatically be entitled (subject to the liquidation priority set forth in Section 1(d) below) to receive a portion of Proceeds, due and payable to the Investor immediately prior to, or concurrent with, the consummation of such Liquidity Event, equal to the greater of (i) the Purchase Amount (the "**Cash-Out Amount**") or (ii) the amount payable on the number of shares of Common Stock equal to the Purchase Amount divided by the Liquidity Price (the "**Conversion Amount**"). If any of the Company's securityholders are given a choice as to the form and amount of Proceeds to be received in a Liquidity Event, the Investor will be given the same choice, *provided* that the Investor may not choose to receive a form of consideration that the Investor would be ineligible to receive as a result of the Investor's failure to satisfy any requirement or limitation generally applicable to the Company's securityholders, or under any applicable laws.

Notwithstanding the foregoing, in connection with a Change of Control intended to qualify as a tax-free reorganization, the Company may reduce the cash portion of Proceeds payable to the Investor by the amount determined by its board of directors in good faith for such Change of Control to qualify as a tax-free reorganization for U.S. federal income tax purposes, provided that such reduction (A) does not reduce the total Proceeds payable to such Investor and (B) is applied in the same manner and on a pro rata basis to all securityholders who have equal priority to the Investor under Section 1(d).

(c) **Dissolution Event**. If there is a Dissolution Event before the termination of this Safe, the Investor will automatically be entitled (subject to the liquidation priority set forth in Section 1(d) below) to receive a portion of Proceeds equal to the Cash-Out Amount, due and payable to the Investor immediately prior to the consummation of the Dissolution Event.

(d) **Liquidation Priority**. In a Liquidity Event or Dissolution Event, this Safe is intended to operate like standard non-participating Preferred Stock. The Investor's right to receive its Cash-Out Amount is:

(i) Junior to payment of outstanding indebtedness and creditor claims, including contractual claims for payment and convertible promissory notes (to the extent such convertible promissory notes are not actually or notionally converted into Capital Stock);

(ii) On par with payments for other Safes and/or Preferred Stock, and if the applicable Proceeds are insufficient to permit full payments to the Investor and such other Safes and/or Preferred Stock, the applicable Proceeds will be distributed pro rata to the Investor and such other Safes and/or Preferred Stock in proportion to the full payments that would otherwise be due; and

(iii) Senior to payments for Common Stock.

The Investor's right to receive its Conversion Amount is (A) on par with payments for Common Stock and other Safes and/or Preferred Stock who are also receiving Conversion Amounts or Proceeds on a similar as-converted to Common Stock basis, and (B) junior to payments described in clauses (i) and (ii) above (in the latter case, to the extent such payments are Cash-Out Amounts or similar liquidation preferences).

(e) **Termination**. This Safe will automatically terminate (without relieving the Company of any obligations arising from a prior breach of or non-compliance with this Safe) immediately following the earliest to occur of: (i) the issuance of Capital Stock to the Investor pursuant to the automatic conversion of this Safe under Section 1(a); or (ii) the payment, or setting aside for payment, of amounts due the Investor pursuant to Section 1(b) or Section 1(c).

2. ***Definitions***

"**Capital Stock**" means the capital stock of the Company, including, without limitation, the "**Common Stock**" and the "**Preferred Stock**."

"**Change of Control**" means (i) a transaction or series of related transactions in which any "person" or "group" (within the meaning of Section 13(d) and 14(d) of the Securities Exchange Act of 1934, as amended), becomes the "beneficial owner" (as defined in Rule 13d-3 under the Securities Exchange Act of 1934, as amended), directly or indirectly, of more than 50% of the outstanding voting securities of the Company having the right to vote for the election of members of the Company's board of directors, (ii) any reorganization, merger or consolidation of the Company, other than a transaction or series of related transactions in which the holders of the voting securities of the Company outstanding immediately prior to such transaction or series of related transactions retain, immediately after such transaction or series of related transactions, at least a majority of the total voting power represented by the outstanding voting securities of the Company or such other surviving or resulting entity or (iii) a sale, lease or other disposition of all or substantially all of the assets of the Company.

"**Company Capitalization**" is calculated as of immediately prior to the Equity Financing and (without double-counting, in each case calculated on an as-converted to Common Stock basis):

- Includes all shares of Capital Stock issued and outstanding;
- Includes all Converting Securities;
- Includes all (i) issued and outstanding Options and (ii) Promised Options; and
- Includes the Unissued Option Pool, except that any increase to the Unissued Option Pool in connection with the Equity Financing will only be included to the extent that the number of Promised Options exceeds the Unissued Option Pool prior to such increase.

"**Converting Securities**" includes this Safe and other convertible securities issued by the Company, including but not limited to: (i) other Safes; (ii) convertible promissory notes and other convertible debt instruments; and (iii) convertible securities that have the right to convert into shares of Capital Stock.

"**Direct Listing**" means the Company's initial listing of its Common Stock (other than shares of Common Stock not eligible for resale under Rule 144 under the Securities Act) on a national securities exchange by means of an effective registration statement on Form S-1 filed by the Company with the SEC that registers shares of existing capital stock of the Company for resale, as approved by the Company's board of directors. For the avoidance of doubt, a Direct Listing will not be deemed to be an underwritten offering and will not involve any underwriting services.

"**Dissolution Event**" means (i) a voluntary termination of operations, (ii) a general assignment for the benefit of the Company's creditors or (iii) any other liquidation, dissolution or winding up of the Company (**excluding** a Liquidity Event), whether voluntary or involuntary.

"**Dividend Amount**" means, with respect to any date on which the Company pays a dividend on its outstanding Common Stock, the amount of such dividend that is paid per share of Common Stock multiplied by (x) the Purchase Amount divided by (y) the Liquidity Price (treating the dividend date as a Liquidity Event solely for purposes of calculating such Liquidity Price).

"**Equity Financing**" means a bona fide transaction or series of transactions with the principal purpose of raising capital, pursuant to which the Company issues and sells Preferred Stock at a fixed valuation, including but not limited to, a pre-money or post-money valuation.

"**Initial Public Offering**" means the closing of the Company's first firm commitment underwritten initial public offering of Common Stock pursuant to a registration statement filed under the Securities Act.

"**Liquidity Capitalization**" is calculated as of immediately prior to the Liquidity Event, and (without double-counting, in each case calculated on an as-converted to Common Stock basis):

- Includes all shares of Capital Stock issued and outstanding;
- Includes all (i) issued and outstanding Options and (ii) to the extent receiving Proceeds, Promised Options;
- Includes all Converting Securities, **other than** any Safes and other convertible securities (including without limitation shares of Preferred Stock) where the holders of such securities are receiving Cash-Out Amounts or similar liquidation preference payments in lieu of Conversion Amounts or similar "as-converted" payments; and
- Excludes the Unissued Option Pool.

"**Liquidity Event**" means a Change of Control, a Direct Listing or an Initial Public Offering.

"**Liquidity Price**" means the price per share equal to the Post-Money Valuation Cap divided by the Liquidity Capitalization.

"**Options**" includes options, restricted stock awards or purchases, RSUs, SARs, warrants or similar securities, vested or unvested.

"**Proceeds**" means cash and other assets (including without limitation stock consideration) that are proceeds from the Liquidity Event or the Dissolution Event, as applicable, and legally available for distribution.

"**Promised Options**" means promised but ungranted Options that are the greater of those (i) promised pursuant to agreements or understandings made prior to the execution of, or in connection with, the term sheet or letter of intent for the Equity Financing or Liquidity Event, as applicable (or the initial closing of the Equity Financing or consummation of the Liquidity Event, if there is no term sheet or letter of intent), (ii) in the case of an Equity Financing, treated as outstanding

Options in the calculation of the Standard Preferred Stock's price per share, or (iii) in the case of a Liquidity Event, treated as outstanding Options in the calculation of the distribution of the Proceeds.

"**Safe**" means an instrument containing a future right to shares of Capital Stock, similar in form and content to this instrument, purchased by investors for the purpose of funding the Company's business operations. References to "this Safe" mean this specific instrument.

"**Safe Preferred Stock**" means the shares of the series of Preferred Stock issued to the Investor in an Equity Financing, having the identical rights, privileges, preferences, seniority, liquidation multiple and restrictions as the shares of Standard Preferred Stock, except that any price-based preferences (such as the per share liquidation amount, initial conversion price and per share dividend amount) will be based on the Safe Price.

"**Safe Price**" means the price per share equal to the Post-Money Valuation Cap divided by the Company Capitalization.

"S**tandard Preferred Stock**" means the shares of the series of Preferred Stock issued to the investors investing new money in the Company in connection with the initial closing of the Equity Financing.

"**Unissued Option Pool**" means all shares of Capital Stock that are reserved, available for future grant and not subject to any outstanding Options or Promised Options (but in the case of a Liquidity Event, only to the extent Proceeds are payable on such Promised Options) under any equity incentive or similar Company plan.

3. ***Company Representations***

(a) The Company is a corporation duly organized, validly existing and in good standing under the laws of its state of incorporation, and has the power and authority to own, lease and operate its properties and carry on its business as now conducted.

(b) The execution, delivery and performance by the Company of this Safe is within the power of the Company and has been duly authorized by all necessary actions on the part of the Company (subject to section 3(d)). This Safe constitutes a legal, valid and binding obligation of the Company, enforceable against the Company in accordance with its terms, except as limited by bankruptcy, insolvency or other laws of general application relating to or affecting the enforcement of creditors' rights generally and general principles of equity. To its knowledge, the Company is not in violation of (i) its current certificate of incorporation or bylaws, (ii) any material statute, rule or regulation applicable to the Company or (iii) any material debt or contract to which the Company is a party or by which it is bound, where, in each case, such violation or default, individually, or together with all such violations or defaults, could reasonably be expected to have a material adverse effect on the Company.

(c) The performance and consummation of the transactions contemplated by this Safe do not and will not: (i) violate any material judgment, statute, rule or regulation applicable to the Company; (ii) result in the acceleration of any material debt or contract to which the Company is a party or by which it is bound; or (iii) result in the creation or imposition of any lien on any property, asset or revenue of the Company or the suspension, forfeiture, or nonrenewal of any material permit, license or authorization applicable to the Company, its business or operations.

(d) No consents or approvals are required in connection with the performance of this Safe, other than: (i) the Company's corporate approvals; (ii) any qualifications or filings under applicable securities laws; and (iii) necessary corporate approvals for the authorization of Capital Stock issuable pursuant to Section 1.

(e) To its knowledge, the Company owns or possesses (or can obtain on commercially reasonable terms) sufficient legal rights to all patents, trademarks, service marks, trade names, copyrights, trade secrets, licenses, information, processes and other intellectual property rights necessary for its business as now conducted and as currently proposed to be conducted, without any conflict with, or infringement of the rights of, others.

4. ***Investor Representations***

(a) The Investor has full legal capacity, power and authority to execute and deliver this Safe and to perform its obligations hereunder. This Safe constitutes a valid and binding obligation of the Investor, enforceable in accordance with its terms, except as limited by bankruptcy, insolvency or other laws of general application relating to or affecting the enforcement of creditors' rights generally and general principles of equity.

(b) The Investor is an accredited investor as such term is defined in Rule 501 of Regulation D under the Securities Act, and acknowledges and agrees that if not an accredited investor at the time of an Equity Financing, the Company may void this Safe and return the Purchase Amount. The Investor has been advised that this Safe and the underlying securities have not been registered under the Securities Act, or any state securities laws and, therefore, cannot be resold unless they are registered under the Securities Act and applicable state securities laws or unless an exemption from such registration requirements is available. The Investor is purchasing this Safe and the securities to be acquired by the Investor hereunder for its own account for investment, not as a nominee or agent, and not with a view to, or for resale in connection with, the distribution thereof, and the Investor has no present intention of selling, granting any participation in, or otherwise distributing the same. The Investor has such knowledge and experience in financial and business matters that the Investor is capable of evaluating the merits and risks of such investment, is able to incur a complete loss of such investment without impairing the Investor's financial condition and is able to bear the economic risk of such investment for an indefinite period of time.

5. ***Miscellaneous***

(a) Any provision of this Safe may be amended, waived or modified by written consent of the Company and either (i) the Investor or (ii) the majority-in-interest of all then-outstanding Safes with the same "Post-Money Valuation Cap" and "Discount Rate" as this Safe (and Safes lacking one or both of such terms will be considered to be the same with respect to such term(s)), provided that with respect to clause (ii): (A) the Purchase Amount may not be amended, waived or modified in this manner, (B) the consent of the Investor and each holder of such Safes must be solicited (even if not obtained), and (C) such amendment, waiver or modification treats all such holders in the same manner. "Majority-in-interest" refers to the holders of the applicable group of Safes whose Safes have a total Purchase Amount greater than 50% of the total Purchase Amount of all of such applicable group of Safes. The Restatement Agreement and Restated Side Letter control as provided therein; neither may be amended or waived pursuant to the majority-in-interest mechanism in this Section 5(a).

(b) Any notice required or permitted by this Safe will be deemed sufficient when delivered personally or by overnight courier or sent by email to the relevant address listed on the signature page, or 48 hours after being deposited in the U.S. mail as certified or registered mail with postage prepaid, addressed to the party to be notified at such party's address listed on the signature page, as subsequently modified by written notice.

(c) The Investor is not entitled, as a holder of this Safe, to vote or be deemed a holder of Capital Stock for any purpose other than tax purposes, nor will anything in this Safe be construed to confer on the Investor, as such, any rights of a Company stockholder or rights to vote for the election of directors or on any matter submitted to Company stockholders, or to give or withhold consent to any corporate action or to receive notice of meetings, until shares have been issued on the terms described in Section 1. However, if the Company pays a dividend on outstanding shares of Common Stock (that is not payable in shares of Common Stock) while this Safe is outstanding, the Company will pay the Dividend Amount to the Investor at the same time.

(d) Neither this Safe nor the rights in this Safe are transferable or assignable, by operation of law or otherwise, by either party without the prior written consent of the other; *provided, however*, that this Safe and/or its rights may be assigned without the Company's consent by the Investor (i) to the Investor's estate, heirs, executors, administrators, guardians and/or successors in the event of Investor's death or disability, or (ii) to any other entity who directly or indirectly, controls, is controlled by or is under common control with the Investor, including, without limitation, any general partner, managing member, officer or director of the Investor, or any venture capital fund now or hereafter existing which is

controlled by one or more general partners or managing members of, or shares the same management company with, the Investor.

(e) In the event any one or more of the provisions of this Safe is for any reason held to be invalid, illegal or unenforceable, in whole or in part or in any respect, or in the event that any one or more of the provisions of this Safe operate or would prospectively operate to invalidate this Safe, then and in any such event, such provision(s) only will be deemed null and void and will not affect any other provision of this Safe and the remaining provisions of this Safe will remain operative and in full force and effect and will not be affected, prejudiced, or disturbed thereby.

(f) All rights and obligations hereunder will be governed by the laws of the State of Delaware, without regard to the conflicts of law provisions of such jurisdiction.

(g) The parties acknowledge and agree that for United States federal and state income tax purposes this Safe is, and at all times has been, intended to be characterized as stock, and more particularly as common stock for purposes of Sections 304, 305, 306, 354, 368, 1036 and 1202 of the Internal Revenue Code of 1986, as amended. Accordingly, the parties agree to treat this Safe consistent with the foregoing intent for all United States federal and state income tax purposes (including, without limitation, on their respective tax returns or other informational statements).

EXHIBIT B – AMENDED AND RESTATED CASH SAFE

THIS INSTRUMENT AND ANY SECURITIES ISSUABLE PURSUANT HERETO HAVE NOT BEEN REGISTERED UNDER THE SECURITIES ACT OF 1933, AS AMENDED (THE "**SECURITIES ACT**"), OR UNDER THE SECURITIES LAWS OF CERTAIN STATES. THESE SECURITIES MAY NOT BE OFFERED, SOLD OR OTHERWISE TRANSFERRED, PLEDGED OR HYPOTHECATED EXCEPT AS PERMITTED IN THIS SAFE AND UNDER THE ACT AND APPLICABLE STATE SECURITIES LAWS PURSUANT TO AN EFFECTIVE REGISTRATION STATEMENT OR AN EXEMPTION THEREFROM.

AUDITCO, INC.

AMENDED AND RESTATED SAFE
(Simple Agreement for Future Equity)

THIS CERTIFIES THAT, pursuant to the Amendment and Restatement Agreement dated October 19, 2026 between AuditCo, Inc. (the ?Company?) and VentureCo Venture Fund I LP (the ?Investor?) (the ?Restatement Agreement?), $409,997.75 of the Investor?s previously paid $410,000 investment is allocated to this Safe as its fully paid "Purchase Amount." This Safe is issued by the Company, a Delaware corporation, to the Investor as of the Effective Time defined in the Restatement Agreement, subject to its reversion provisions. It replaces the balance of the Original Safe and requires no new cash payment.

This Safe has no valuation cap and no discount. The Investor's most-favored-nation rights concerning this Safe are set forth in Section 3 of the Restated Side Letter attached as Exhibit C to the Restatement Agreement.

1. ***Events***

(a) **Equity Financing**. If there is an Equity Financing before the termination of this Safe, on the initial closing of such Equity Financing, this Safe will automatically convert into the number of shares of Standard Preferred Stock equal to the Purchase Amount divided by the lowest price per share of the Standard Preferred Stock.

In connection with the automatic conversion of this Safe into shares of Standard Preferred Stock, the Investor will execute and deliver to the Company all transaction documents related to the Equity Financing; *provided*, that such documents (i) are the same documents entered into with the purchasers of Standard Preferred Stock and (ii) have customary exceptions to any drag-along applicable to the Investor, including limited representations, warranties, liability and indemnification obligations for the Investor.

(b) **Liquidity Event**. If there is a Liquidity Event before the termination of this Safe, the Investor will automatically be entitled, subject to the liquidation priority in Section 1(d) below and any amendment of this Safe under Section 3 of the Restated Side Letter, to receive a portion of Proceeds, due and payable immediately prior to, or concurrent with, consummation of that Liquidity Event, equal to the Purchase Amount (the "**Cash-Out Amount**"). If any of the Company's securityholders are given a choice as to the form and amount of Proceeds to be received in a Liquidity Event, the Investor will be given the same choice, provided that the Investor may not choose a form of consideration that the Investor is ineligible to receive under requirements or limitations generally applicable to the Company's securityholders or applicable law.

Notwithstanding the foregoing, in connection with a Change of Control intended to qualify as a tax-free reorganization, the Company may reduce the cash portion of Proceeds payable to the Investor by the amount determined by its board of directors in good faith for such Change of Control to qualify as a tax-free reorganization for U.S. federal income tax purposes, provided that such reduction (A) does not reduce the total Proceeds payable to such Investor and (B) is applied in the same manner and on a pro rata basis to all securityholders who have equal priority to the Investor under Section 1(d).

(c) **Dissolution Event**. If there is a Dissolution Event before the termination of this Safe, the Investor will automatically be entitled (subject to the liquidation priority set forth in Section 1(d) below) to receive a portion of Proceeds equal to the Cash-Out Amount, due and payable to the Investor immediately prior to the consummation of the Dissolution Event.

(d) **Liquidation Priority**. In a Liquidity Event or Dissolution Event, this Safe is intended to operate like standard non-participating Preferred Stock. The Investor's right to receive its Cash-Out Amount is:

(i) Junior to payment of outstanding indebtedness and creditor claims, including contractual claims for payment and convertible promissory notes (to the extent such convertible promissory notes are not actually or notionally converted into Capital Stock);

(ii) On par with payments for other Safes and/or Preferred Stock, and if the applicable Proceeds are insufficient to permit full payments to the Investor and such other Safes and/or Preferred Stock, the applicable Proceeds will be distributed pro rata to the Investor and such other Safes and/or Preferred Stock in proportion to the full payments that would otherwise be due; and

(iii) Senior to payments for Common Stock.

The Investor's right to receive its Cash-Out Amount is (A) on par with payments for Common Stock and other Safes and/or Preferred Stock who are also receiving Cash-Out Amounts or Proceeds on a similar as-converted to Common Stock basis, and (B) junior to payments described in clauses (i) and (ii) above (in the latter case, to the extent such payments are Cash-Out Amounts or similar liquidation preferences).

(e) **Termination**. This Safe will automatically terminate (without relieving the Company of any obligations arising from a prior breach of or non-compliance with this Safe) immediately following the earliest to occur of: (i) the issuance of Capital Stock to the Investor pursuant to the automatic conversion of this Safe under Section 1(a); or (ii) the payment, or setting aside for payment, of amounts due the Investor pursuant to Section 1(b) or Section 1(c).

2. ***Definitions***

"**Capital Stock**" means the capital stock of the Company, including, without limitation, the "**Common Stock**" and the "**Preferred Stock**."

3. ***Company Representations***

(a) The Company is a corporation duly organized, validly existing and in good standing under the laws of its state of incorporation, and has the power and authority to own, lease and operate its properties and carry on its business as now conducted.

(b) The execution, delivery and performance by the Company of this Safe is within the power of the Company and has been duly authorized by all necessary actions on the part of the Company (subject to section 3(d)). This Safe constitutes a legal, valid and binding obligation of the Company, enforceable against the Company in accordance with its terms, except as limited by bankruptcy, insolvency or other laws of general application relating to or affecting the enforcement of creditors' rights generally and general principles of equity. To its knowledge, the Company is not in violation of (i) its current certificate of incorporation or bylaws, (ii) any material statute, rule or regulation applicable to the Company or (iii) any material debt or contract to which the Company is a party or by which it is bound, where, in each case, such violation or default, individually, or together with all such violations or defaults, could reasonably be expected to have a material adverse effect on the Company.

(c) The performance and consummation of the transactions contemplated by this Safe do not and will not: (i) violate any material judgment, statute, rule or regulation applicable to the Company; (ii) result in the acceleration of any material debt or contract to which the Company is a party or by which it is bound; or (iii) result in the creation or imposition of any lien on any property, asset or revenue of the Company or the suspension, forfeiture, or nonrenewal of any material permit, license or authorization applicable to the Company, its business or operations.

(d) No consents or approvals are required in connection with the performance of this Safe, other than: (i) the Company's corporate approvals; (ii) any qualifications or filings under applicable securities laws; and (iii) necessary corporate approvals for the authorization of Capital Stock issuable pursuant to Section 1.

(e) To its knowledge, the Company owns or possesses (or can obtain on commercially reasonable terms) sufficient legal rights to all patents, trademarks, service marks, trade names, copyrights, trade secrets, licenses, information, processes and other intellectual property rights necessary for its business as now conducted and as currently proposed to be conducted, without any conflict with, or infringement of the rights of, others.

4. ***Investor Representations***

(a) The Investor has full legal capacity, power and authority to execute and deliver this Safe and to perform its obligations hereunder. This Safe constitutes a valid and binding obligation of the Investor, enforceable in accordance with its terms, except as limited by bankruptcy, insolvency or other laws of general application relating to or affecting the enforcement of creditors' rights generally and general principles of equity.

(b) The Investor is an accredited investor as such term is defined in Rule 501 of Regulation D under the Securities Act, and acknowledges and agrees that if not an accredited investor at the time of an Equity Financing, the Company may void this Safe and return the Purchase Amount. The Investor has been advised that this Safe and the underlying securities have not been registered under the Securities Act, or any state securities laws and, therefore, cannot be resold unless they are registered under the Securities Act and applicable state securities laws or unless an exemption from such registration requirements is available. The Investor is purchasing this Safe and the securities to be acquired by the Investor hereunder for its own account for investment, not as a nominee or agent, and not with a view to, or for resale in connection with, the distribution thereof, and the Investor has no present intention of selling, granting any participation in, or otherwise distributing the same. The Investor has such knowledge and experience in financial and business matters that the Investor is capable of evaluating the merits and risks of such investment, is able to incur a complete loss of such investment without impairing the Investor's financial condition and is able to bear the economic risk of such investment for an indefinite period of time.

5. ***Miscellaneous***

(a) Any provision of this Safe may be amended, waived or modified by written consent of the Company and either (i) the Investor or (ii) the majority-in-interest of all then-outstanding Safes with the same "Post-Money Valuation Cap" and "Discount Rate" as this Safe (and Safes lacking one or both of such terms will be considered to be the same with respect to such term(s)), provided that with respect to clause (ii): (A) the Purchase Amount may not be amended, waived or modified in this manner, (B) the consent of the Investor and each holder of such Safes must be solicited (even if not obtained), and (C) such amendment, waiver or modification treats all such holders in the same manner. "Majority-in-interest" refers to the holders of the applicable group of Safes whose Safes have a total Purchase Amount greater than 50% of the total Purchase Amount of all of such applicable group of Safes. The Restatement Agreement and Restated Side Letter control as provided therein; neither may be amended or waived pursuant to the majority-in-interest mechanism in this Section 5(a).

(b) Any notice required or permitted by this Safe will be deemed sufficient when delivered personally or by overnight courier or sent by email to the relevant address listed on the signature page, or 48 hours after being deposited in the U.S. mail as certified or registered mail with postage prepaid, addressed to the party to be notified at such party's address listed on the signature page, as subsequently modified by written notice.

(c) The Investor is not entitled, as a holder of this Safe, to vote or be deemed a holder of Capital Stock for any purpose other than tax purposes, nor will anything in this Safe be construed to confer on the Investor, as such, any rights of a Company stockholder or rights to vote for the election of directors or on any matter submitted to Company stockholders, or to give or withhold consent to any corporate action or to receive notice of meetings, until shares have been issued on the terms described in Section 1. However, if the Company pays a dividend on outstanding shares of Common Stock (that is not payable in shares of Common Stock) while this Safe is outstanding, the Company will pay the Dividend Amount to the Investor at the same time.

(d) Neither this Safe nor the rights in this Safe are transferable or assignable, by operation of law or otherwise, by either party without the prior written consent of the other; *provided, however*, that this Safe and/or its rights may be assigned without the Company's consent by the Investor (i) to the Investor's estate, heirs, executors, administrators, guardians and/or successors in the event of Investor's death or disability, or (ii) to any other entity who directly or indirectly, controls, is controlled by or is under common control with the Investor, including, without limitation, any general partner, managing member, officer or director of the Investor, or any venture capital fund now or hereafter existing which is

controlled by one or more general partners or managing members of, or shares the same management company with, the Investor.

(e) In the event any one or more of the provisions of this Safe is for any reason held to be invalid, illegal or unenforceable, in whole or in part or in any respect, or in the event that any one or more of the provisions of this Safe operate or would prospectively operate to invalidate this Safe, then and in any such event, such provision(s) only will be deemed null and void and will not affect any other provision of this Safe and the remaining provisions of this Safe will remain operative and in full force and effect and will not be affected, prejudiced, or disturbed thereby.

(f) All rights and obligations hereunder will be governed by the laws of the State of Delaware, without regard to the conflicts of law provisions of such jurisdiction.

(g) The parties acknowledge and agree that for United States federal and state income tax purposes this Safe is, and at all times has been, intended to be characterized as stock, and more particularly as common stock for purposes of Sections 304, 305, 306, 354, 368, 1036 and 1202 of the Internal Revenue Code of 1986, as amended. Accordingly, the parties agree to treat this Safe consistent with the foregoing intent for all United States federal and state income tax purposes (including, without limitation, on their respective tax returns or other informational statements).

This Safe is subject to the Restatement Agreement and Restated Side Letter. Section 3 of the Restated Side Letter is the sole equity MFN mechanism for this Safe and survives any MFN amendment or restatement until this Safe terminates. There is no separate MFN embedded in this Safe.

EXHIBIT C – AMENDED AND RESTATED SIDE LETTER

VENTURECO VENTURE FUND I LP
[VentureCo address]

October 19, 2026

AuditCo, Inc.
[AuditCo address]

Re: Amended and Restated Side Letter

Ladies and Gentlemen:

This amended and restated side letter (this "**Side Letter**") is entered into as of October 19, 2026 pursuant to the Amendment and Restatement Agreement of the same date between AuditCo, Inc. (the ?Company?) and VentureCo Venture Fund I LP (the "**Investor**") (the "**Restatement Agreement**"). It amends and restates the parties' October 12, 2026 side letter and applies to both the Nominal Safe and the Cash Safe attached as Exhibits A and B to the Restatement Agreement (collectively, the "**Investor's Safe(s)**" or "**Safe(s)**"). Capitalized terms not defined herein have the meanings in the Restatement Agreement or, for Company Capitalization and other shared capitalization terms, the Nominal Safe. The MFN in Section 3 applies solely to the Cash Safe.

As a material inducement to the Investor's investment, the Company and the Investor hereby covenant and agree that:

1. ***Pro Rata Right.*** The Company grants the Investor a right to purchase its pro rata share of Standard Preferred Stock being sold in the Equity Financing (the "Pro Rata Right"). The Investor's "pro rata share" will be calculated based on the ratio of (x) the aggregate number of shares of Capital Stock issued to the Investor upon conversion of both the Nominal Safe and the Cash Safe, including the Cash Safe as amended or restated pursuant to Section 3, to (y) the Company Capitalization immediately prior to the Equity Financing, without double counting. The Pro Rata Right is subject to the Investor's execution of the standard transaction documents (including any customary voting agreements or drag-along provisions) executed by the other purchasers of Standard Preferred Stock.

2. ***Information Rights.*** To keep the Investor reasonably informed while minimizing the administrative burden on the Company, the Company agrees to furnish the following to the Investor:

(a) Annual Financials: As soon as practicable, but in any event within one hundred twenty (120) days after the end of each fiscal year of the Company, an unaudited balance sheet and income statement for such year.

(b) Capitalization Table: An updated capitalization table of the Company within a reasonable time following the end of each fiscal year, or upon the reasonable request of the Investor.

(c) Periodic Investor Updates: The Company will use its reasonable best efforts to provide the Investor with routine, periodic investor updates concerning the Company's business operations and general progress. To the extent the Company prepares and shares high-level operational or financial materials with its broader investor base, it will also provide such materials to the Investor.

Upon the automatic conversion of the Investor's Safe(s) in connection with an Equity Financing, the information rights under this Section 2 shall terminate, and the Company shall ensure that the Investor is granted the same information rights as the purchasers of Standard Preferred Stock in such Equity Financing, regardless of any minimum ownership or investment threshold.

3. ***Most Favored Nation (MFN).*** If the Company issues any subsequent convertible securities after the Effective Time and prior to termination of the Cash Safe with terms more favorable to the investors than those of the Cash Safe,

including a valuation cap or a discount to the price per share in an Equity Financing, the Company shall promptly provide the Investor with written notice thereof and a copy of the instrument evidencing such securities. Upon the Investor's written request within ten (10) days after receipt of both the notice and instrument, the Company shall promptly amend and restate the Cash Safe to adopt that instrument's terms as a whole, subject to the express exclusions and accelerator limitation below and preserving the Cash Safe?s Purchase Amount of $409,997.75 and the Investor?s identity. An election does not amend, replace or cancel the Nominal Safe, does not cause conversion into Capital Stock, and does not terminate this Side Letter or its MFN. This right applies to qualifying securities issued before or after FundCo Closing. Reversion is governed exclusively by the Restatement Agreement.

This MFN right shall not apply to:

(a) options or shares issued pursuant to any equity incentive or similar plan of the Company;

(b) convertible securities issued to banks, equipment lessors, or financial institutions pursuant to a debt financing or commercial leasing; or

(c) convertible securities issued in connection with sponsored research, technology licenses, development, or strategic partnerships.

In addition, this MFN excludes (i) the Nominal Safe and Cash Safe, and their issuance, amendment, restatement or reinstatement solely to implement the Restatement Agreement, and (ii) solely the initial FundCo Program Package as defined in Section 3 of the Restatement Agreement. No other financing, investor, follow-on investment or materially different FundCo package is excluded by these clauses. Neither the Company's sequencing of financings nor its participation in a program creates any additional exclusion. Any waiver beyond these express exclusions requires the Investor's written agreement. These exclusions limit only the Investor?s rights and do not bind FundCo or any other investor.

Notwithstanding the foregoing, if the Investor elects to adopt terms of convertible securities issued to the applicable program sponsor or its designated investment vehicle in connection with the Company's participation in Y Combinator, a16z Speedrun, PearX (Pear VC), South Park Commons Founder Fellowship, Sequoia Arc or Neo Accelerator, any Post-Money Valuation Cap adopted pursuant to such election shall be no less than $9,000,000. This limitation does not apply to investments by those firms unrelated to the Company's participation in such programs.

4. ***Miscellaneous*****.** This Side Letter, the Investor's Safe(s) and the Restatement Agreement constitute the entire agreement between the parties regarding the subject matter hereof. Any amendment, restatement or replacement of the Cash Safe, including pursuant to Section 3, shall not terminate or otherwise affect this Side Letter or its rights, and references herein to the Cash Safe include it as so amended, restated or replaced. This Side Letter applies to both Replacement Safes, except that Section 3 applies only to the Cash Safe. Any cancellation, reinstatement or reversion under Section 5 of the Restatement Agreement has the effect expressly stated there; upon reversion, this Side Letter is replaced by the reinstated Original Side Letter. Except as otherwise provided in Section 2 and subject to the Restatement Agreement, the rights of the Investor and obligations of the Company set forth in this Side Letter terminate immediately prior to a Liquidity Event or Dissolution Event. This Side Letter may be amended or waived only by a writing signed by the Company and the Investor. The Restatement Agreement controls any conflict as provided in its Section 7.
