Intro

Congratulations!

You?ve been selected to receive a grant from the GrantorCo Foundation.

Thank you for being an active contributor to the Protocol ecosystem!

This document will explain the next steps and break down everything you can expect going forward. Please review it carefully. The more prepared you are, the faster we can keep things moving!

What happens after my grant is approved?

You should be in contact with an admin from the Ecosystem Support Program. They will guide you through each of the following steps. If you have any questions, please reach out to grants-admin@grantorco.example. The sooner you can gather the required documents, the better.

Grantee Onboarding Process

Your grant is processed and disbursed from The GrantorCo Foundation's Swiss non-profit entity -- GrantorCo Foundation.

To the right you will see the process that your grant will follow.
In order to follow all compliance standards, all steps must be followed.

KYC & Legal requirements

KYC stands for "Know Your Customer". The GrantorCo Foundation is required to collect this information from all its grantees due to anti-money laundering (AML) regulations. Failure to submit will result in delays. After you complete the KYC/AML process, it will be submitted for review. Once it's cleared, you will be notified and progress to the next step. If you have completed a KYC check with us within the past calendar year, another one is not needed until your current KYC check expires, or unless there are material changes. In other words, only a yearly KYC check is needed.

What's needed for KYC?

You should submit KYC/AML documents for whichever person or entity that will be receiving the funds for the grant. Any companies or individuals and their associated bank accounts or crypto accounts being paid by the GrantorCo Foundation will need to have ?passed? KYC.

Please label files in the following format:
"LastName, FirstName - DocumentName"
or
"OrganizationName - DocumentName"

Forms must be uploaded through our secure submission form:
https://secure-drop.grantorco.example/

- Select `Legal` from the dropdown
- Enter your Grant ID in the `Reference ID` field

An official English copy of documents is preferred, however if your government does not provide such, a simple translation provided by the grantee will suffice.

Grant Agreement

A drafted formal agreement stating the terms of your grant and grant structure will be sent to you for review and signature from our legal representative. Please carefully review this document and ensure there are no errors.

A signature is required from the individual listed as the grant recipient. This should be the same individual, or representative from the entity, that went through the KYC check.

Once the grant agreement is signed by you or your representative, our signatory team will provide countersignature and return the fully signed document. **Possessing a countersigned grant agreement is required for disbursement.**

Payment

The GF can disburse payments in either Fiat or Cryptocurrency. Please provide your payment details using our secure payment portal. When filling out this form you will need the Contract ID and Security ID (sent via email).

For Cryptocurrency:

- Beneficiary Name
- Beneficiary Email Address
- Wallet Address
- Desired token
- Desired network

For Fiat:

- Beneficiary Name
- Beneficiary Billing Address
- Bank Name
- Bank Address
- IBAN or Bank Account Number
- SWIFT code / BIC
- Fiat Currency (USD, EUR, etc.)

Payment

For payments that are milestone or deliverable based, please reach out to your evaluator. This should be the individual from the GF who either negotiated or facilitated your grant. They will approve the milestone and send a request for payment on your behalf. If you are unsure of who your grant evaluator is, don't hesitate to email grants-admin@grantorco.example for more information.

For NATIVE and DAI payments, a test transaction will be sent before sending the full tranche amount, Please be on the lookout for any emails from accounting@grantorco.example. Test transactions are sent on Mondays. If the test is confirmed within 48 hours, the full amount is sent on Wednesday.

The conversion rate used for cryptocurrency transactions is based on the previous day's close rate using messari.io.

For FIAT transfers, international wire transfers can take 4-10 business days to complete. You will receive a notification from grants@grantorco.example when the tranche is initiated for transfer. These payments are only initiated on Mondays. As mentioned previously, all grants are processed and disbursed from our Swiss entity. Confirm with your bank ahead of time that they can receive International Wire Transfers from a Swiss bank. If your bank is unable to receive international wire transfers, you will need to choose a different payment method.

Communications & Public Relations

Congratulations again on your grant! We are thrilled to support your work and look forward to seeing your project come to life.
If you plan to announce your grant publicly, please share your content with us for review prior to publication. To help make the process as smooth as possible, please follow these guidelines:

- Timing: Public announcements can only be made once the grant agreement has been countersigned (status: Active).
- Accuracy: Clearly represent the award as a “grant” rather than a “partnership”, and be specific about the work being funded.
- Branding: Should you need a logo for your website or platform, please use the following: GF Grantee Logos
- Promotion: Once your announcement is live, let us know! We’d love to share it with the community.

Details of your award will be highlighted within our standard ecosystem updates. These summaries provide a brief overview of funded projects and their intended impact. We will use the details provided in your application to represent your work, ensuring the community stays informed about recent progress and supported initiatives.

If you have communications or PR-related inquiries please reach out to grants-admin@grantorco.example.
