AuditCo, Inc.

SAFE
(Simple Agreement for Future Equity)

THIS CERTIFIES THAT in exchange for the payment by___ InvestorCo Fund I, LP _____ (the "Investor") of $260,000 (the ?Purchase Amount?) on or about [_____], _____[full AuditCo, Inc. legal company name], a [Delaware] corporation (the "Company"), issues to the Investor the right to certain shares of the Company's Capital Stock, subject to the terms described below.

This Safe is adapted from the Y Combinator post-money Safe form (Valuation Cap, no Discount). The parties have modified the form by adding Section 6 concerning a separate 0.35% Common Stock grant and replacing this form-identification paragraph. Other than completion of blanks and bracketed terms, Sections 1 through 5 are unchanged. This is a modified form, not an unmodified YC Safe.

The ?Post-Money Valuation Cap? is $42,000,000. See Section 2 for certain additional defined terms.

1. ***Events***

(a) **Equity Financing**. If there is an Equity Financing before the termination of this Safe, on the initial closing of such Equity Financing, this Safe will automatically convert into the greater of: (1) the number of shares of Standard Preferred Stock equal to the Purchase Amount divided by the lowest price per share of the Standard Preferred Stock; or (2) the number of shares of Safe Preferred Stock equal to the Purchase Amount divided by the Safe Price.

In connection with the automatic conversion of this Safe into shares of Standard Preferred Stock or Safe Preferred Stock, the Investor will execute and deliver to the Company all of the transaction documents related to the Equity Financing; *provided*, that such documents (i) are the same documents to be entered into with the purchasers of Standard Preferred Stock, with appropriate variations for the Safe Preferred Stock if applicable, and (ii) have customary exceptions to any drag-along applicable to the Investor, including (without limitation) limited representations, warranties, liability and indemnification obligations for the Investor.

(b) **Liquidity Event**. If there is a Liquidity Event before the termination of this Safe, the Investor will automatically be entitled (subject to the liquidation priority set forth in Section 1(d) below) to receive a portion of Proceeds, due and payable to the Investor immediately prior to, or concurrent with, the consummation of such Liquidity Event, equal to the greater of (i) the Purchase Amount (the "**Cash-Out Amount**") or (ii) the amount payable on the number of shares of Common Stock equal to the Purchase Amount divided by the Liquidity Price (the "**Conversion Amount**"). If any of the Company's securityholders are given a choice as to the form and amount of Proceeds to be received in a Liquidity Event, the Investor will be given the same choice, *provided* that the Investor may not choose to receive a form of consideration that the Investor would be ineligible to receive as a result of the Investor's failure to satisfy any requirement or limitation generally applicable to the Company's securityholders, or under any applicable laws.

Notwithstanding the foregoing, in connection with a Change of Control intended to qualify as a tax-free reorganization, the Company may reduce the cash portion of Proceeds payable to the Investor by the amount determined by its board of directors in good faith for such Change of Control to qualify as a tax-free reorganization for U.S. federal income tax purposes, provided that such reduction (A) does not reduce the total Proceeds payable to such Investor and (B) is applied in the same manner and on a pro rata basis to all securityholders who have equal priority to the Investor under Section 1(d).

(c) **Dissolution Event**. If there is a Dissolution Event before the termination of this Safe, the Investor will automatically be entitled (subject to the liquidation priority set forth in Section 1(d) below) to receive a portion of Proceeds equal to the Cash-Out Amount, due and payable to the Investor immediately prior to the consummation of the Dissolution Event.

(d) **Liquidation Priority**. In a Liquidity Event or Dissolution Event, this Safe is intended to operate like standard non-participating Preferred Stock. The Investor's right to receive its Cash-Out Amount is:

(i) Junior to payment of outstanding indebtedness and creditor claims, including contractual claims for payment and convertible promissory notes (to the extent such convertible promissory notes are not actually or notionally converted into Capital Stock);

(ii) On par with payments for other Safes and/or Preferred Stock, and if the applicable Proceeds are insufficient to permit full payments to the Investor and such other Safes and/or Preferred Stock, the applicable Proceeds will be distributed pro rata to the Investor and such other Safes and/or Preferred Stock in proportion to the full payments that would otherwise be due; and

(iii) Senior to payments for Common Stock.

The Investor's right to receive its Conversion Amount is (A) on par with payments for Common Stock and other Safes and/or Preferred Stock who are also receiving Conversion Amounts or Proceeds on a similar as-converted to Common Stock basis, and (B) junior to payments described in clauses (i) and (ii) above (in the latter case, to the extent such payments are Cash-Out Amounts or similar liquidation preferences).

(e) **Termination**. This Safe will automatically terminate (without relieving the Company of any obligations arising from a prior breach of or non-compliance with this Safe) immediately following the earliest to occur of: (i) the issuance of Capital Stock to the Investor pursuant to the automatic conversion of this Safe under Section 1(a); or (ii) the payment, or setting aside for payment, of amounts due the Investor pursuant to Section 1(b) or Section 1(c).

"**Promised Options**" means promised but ungranted Options that are the greater of those (i) promised pursuant to agreements or understandings made prior to the execution of, or in connection with, the term sheet or letter of intent for the Equity Financing or Liquidity Event, as applicable (or the initial closing of the Equity Financing or consummation of the Liquidity Event, if there is no term sheet or letter of intent), (ii) in the case of an Equity Financing, treated as outstanding Options in the calculation of the Standard Preferred Stock's price per share, or (iii) in the case of a Liquidity Event, treated as outstanding Options in the calculation of the distribution of the Proceeds.

3. ***Company Representations***

(a) The Company is a corporation duly organized, validly existing and in good standing under the laws of its state of incorporation, and has the power and authority to own, lease and operate its properties and carry on its business as now conducted.

(b) The execution, delivery and performance by the Company of this Safe is within the power of the Company and has been duly authorized by all necessary actions on the part of the Company (subject to section 3(d)). This Safe constitutes a legal, valid and binding obligation of the Company, enforceable against the Company in accordance with its terms, except as limited by bankruptcy, insolvency or other laws of general application relating to or affecting the enforcement of creditors' rights generally and general principles of equity. To its knowledge, the Company is not in violation of (i) its current certificate of incorporation or bylaws, (ii) any material statute, rule or regulation applicable to the Company or (iii) any material debt or contract to which the Company is a party or by which it is bound, where, in each case, such violation or default, individually, or together with all such violations or defaults, could reasonably be expected to have a material adverse effect on the Company.

(c) The performance and consummation of the transactions contemplated by this Safe do not and will not: (i) violate any material judgment, statute, rule or regulation applicable to the Company; (ii) result in the acceleration of any material debt or contract to which the Company is a party or by which it is bound; or (iii) result in the creation or imposition of any lien on any property, asset or revenue of the Company or the suspension, forfeiture, or nonrenewal of any material permit, license or authorization applicable to the Company, its business or operations.

(d) No consents or approvals are required in connection with the performance of this Safe, other than: (i) the Company's corporate approvals; (ii) any qualifications or filings under applicable securities laws; and (iii) necessary corporate approvals for the authorization of Capital Stock issuable pursuant to Section 1.

(e) To its knowledge, the Company owns or possesses (or can obtain on commercially reasonable terms) sufficient legal rights to all patents, trademarks, service marks, trade names, copyrights, trade secrets, licenses, information, processes and other intellectual property rights necessary for its business as now conducted and as currently proposed to be conducted, without any conflict with, or infringement of the rights of, others.

4. ***Investor Representations***

(a) The Investor has full legal capacity, power and authority to execute and deliver this Safe and to perform its obligations hereunder. This Safe constitutes a valid and binding obligation of the Investor, enforceable in accordance with

Docusign Envelope ID: [envelope id]

its terms, except as limited by bankruptcy, insolvency or other laws of general application relating to or affecting the enforcement of creditors' rights generally and general principles of equity.

(b) The Investor is an accredited investor as such term is defined in Rule 501 of Regulation D under the Securities Act, and acknowledges and agrees that if not an accredited investor at the time of an Equity Financing, the Company may void this Safe and return the Purchase Amount. The Investor has been advised that this Safe and the underlying securities have not been registered under the Securities Act, or any state securities laws and, therefore, cannot be resold unless they are registered under the Securities Act and applicable state securities laws or unless an exemption from such registration requirements is available. The Investor is purchasing this Safe and the securities to be acquired by the Investor hereunder for its own account for investment, not as a nominee or agent, and not with a view to, or for resale in connection with, the distribution thereof, and the Investor has no present intention of selling, granting any participation in, or otherwise distributing the same. The Investor has such knowledge and experience in financial and business matters that the Investor is capable of evaluating the merits and risks of such investment, is able to incur a complete loss of such investment without impairing the Investor's financial condition and is able to bear the economic risk of such investment for an indefinite period of time.

5. ***Miscellaneous***

(a) Any provision of this Safe may be amended, waived or modified by written consent of the Company and either (i) the Investor or (ii) the majority-in-interest of all then-outstanding Safes with the same "Post-Money Valuation Cap" and "Discount Rate" as this Safe (and Safes lacking one or both of such terms will be considered to be the same with respect to such term(s)), *provided that* with respect to clause (ii): (A) the Purchase Amount may not be amended, waived or modified in this manner, (B) the consent of the Investor and each holder of such Safes must be solicited (even if not obtained), and (C) such amendment, waiver or modification treats all such holders in the same manner. "Majority-in-interest" refers to the holders of the applicable group of Safes whose Safes have a total Purchase Amount greater than 50% of the total Purchase Amount of all of such applicable group of Safes.

(b) Any notice required or permitted by this Safe will be deemed sufficient when delivered personally or by overnight courier or sent by email to the relevant address listed on the signature page, or 48 hours after being deposited in the U.S. mail as certified or registered mail with postage prepaid, addressed to the party to be notified at such party's address listed on the signature page, as subsequently modified by written notice.

(c) The Investor is not entitled, as a holder of this Safe, to vote or be deemed a holder of Capital Stock for any purpose other than tax purposes, nor will anything in this Safe be construed to confer on the Investor, as such, any rights of a Company stockholder or rights to vote for the election of directors or on any matter submitted to Company stockholders, or to give or withhold consent to any corporate action or to receive notice of meetings, until shares have been issued on the terms described in Section 1. However, if the Company pays a dividend on outstanding shares of Common Stock (that is not payable in shares of Common Stock) while this Safe is outstanding, the Company will pay the Dividend Amount to the Investor at the same time.

(d) Neither this Safe nor the rights in this Safe are transferable or assignable, by operation of law or otherwise, by either party without the prior written consent of the other; *provided, however*, that this Safe and/or its rights may be assigned without the Company's consent by the Investor (i) to the Investor's estate, heirs, executors, administrators, guardians and/or successors in the event of Investor's death or disability, or (ii) to any other entity who directly or indirectly, controls, is controlled by or is under common control with the Investor, including, without limitation, any general partner, managing member, officer or director of the Investor, or any venture capital fund now or hereafter existing which is controlled by one or more general partners or managing members of, or shares the same management company with, the Investor.

(e) In the event any one or more of the provisions of this Safe is for any reason held to be invalid, illegal or unenforceable, in whole or in part or in any respect, or in the event that any one or more of the provisions of this Safe operate or would prospectively operate to invalidate this Safe, then and in any such event, such provision(s) only will be deemed null and void and will not affect any other provision of this Safe and the remaining provisions of this Safe will remain operative and in full force and effect and will not be affected, prejudiced, or disturbed thereby.

Docusign Envelope ID: [envelope id]

(f) All rights and obligations hereunder will be governed by the laws of the State of [Governing Law Jurisdiction], without regard to the conflicts of law provisions of such jurisdiction.

(g) The parties acknowledge and agree that for United States federal and state income tax purposes this Safe is, and at all times has been, intended to be characterized as stock, and more particularly as common stock for purposes of Sections 304, 305, 306, 354, 368, 1036 and 1202 of the Internal Revenue Code of 1986, as amended. Accordingly, the parties agree to treat this Safe consistent with the foregoing intent for all United States federal and state income tax purposes (including, without limitation, on their respective tax returns or other informational statements).

6. Additional Common Equity Grant

(a) Separate grant. In addition to, and separately from, the rights issued in exchange for the Purchase Amount under this Safe, the Company agrees to grant and issue to the Investor shares of its Common Stock representing 0.35% of the Company on the capitalization basis and measurement date specified in Section 6(b) (the "Additional Common Shares"). The Additional Common Shares are not shares issued upon conversion of this Safe and will not reduce the Purchase Amount, the number of shares issuable upon conversion, or any payment due under Sections 1 through 5. The Purchase Amount remains $260,000 and the Post-Money Valuation Cap remains $42,000,000.

(b) Grant particulars to complete before execution. The parties shall complete and approve the following particulars in this agreement before signing: capitalization basis and included and excluded securities [DEFINE THE AGREED FULLY DILUTED DENOMINATOR, INCLUDING TREATMENT OF THIS SAFE, OTHER CONVERTIBLES, OPTIONS AND THE UNISSUED POOL]; measurement date [DATE OR EVENT]; issuance date [DATE OR EVENT]; total fully diluted shares immediately after the grant on that basis [NUMBER]; Additional Common Shares [NUMBER, EQUAL TO 0.0035 TIMES THAT POST-GRANT TOTAL, WITH AGREED ROUNDING]; class and par value [CLASS AND PAR VALUE]; legally sufficient consideration for the grant and its allocation [SPECIFY]; vesting and any service conditions [SPECIFY OR STATE NONE]; repurchase rights [SPECIFY OR STATE NONE]; and applicable transfer restrictions [SPECIFY]. These particulars must be supported by a capitalization schedule approved in writing by both parties and attached to this agreement before execution. The 0.35% is measured only on the agreed basis and date; it is not a continuing ownership floor or a right to future top-up grants.

(c) Corporate action and issuance. The Company shall obtain all required board and, if applicable, stockholder approvals, ensure sufficient authorized shares, satisfy applicable securities-law requirements, and issue and record the Additional Common Shares in its stock ledger on the agreed issuance date. This agreement records the grant obligation; acknowledgment of the grant alone does not constitute completed issuance. Any implementing consents, stock certificates or book-entry notices shall be consistent with this Section 6. No separate commercial grant agreement is required to record the agreed grant terms, but any legally required issuance documentation must still be completed.

(d) Separate stock rights and dilution. Once issued, the Additional Common Shares carry the rights of their class under the Company's governing documents and applicable law, subject to the restrictions completed in Section 6(b). Section 5(c) limits rights held solely as a holder of this Safe and does not limit rights held as an owner of issued Additional Common Shares. The Additional Common Shares have no SAFE-specific liquidation preference. They are subject to dilution from subsequent issuances under the ordinary terms of Common Stock. They shall be included in Company Capitalization and Liquidity Capitalization to the extent required by the existing definitions in Section 2; those definitions and all SAFE conversion and payout formulas remain unchanged. No fixed combined ownership percentage is guaranteed.

(e) Survival and amendments. The obligations and rights under this Section 6 survive termination of this Safe under Section 1(e) until fully performed and thereafter to the extent applicable to issued shares. Notwithstanding Section 5(a), this Section 6 may be amended, waived or modified only by written consent of both the Company and the Investor. In any conflict with Sections 1 through 5, this Section 6 controls solely as to the separate common equity grant and its survival and amendment; it does not alter the SAFE investment economics.

RE: Additional Investor Rights.

Ladies and Gentlemen:

This Letter will confirm our agreement that, pursuant to and effective as of your purchase of a Simple Agreement For Equity (the "**SAFE**") issued by AuditCo, Inc. (the "**Company**"), INVESTORCO FUND I, LP (the ?Investor?) shall be entitled to the following contractual rights, in addition to any other rights specifically provided to all investors in the current financing, and the Company hereby makes such other representations to the Investor as follows and agrees to the following covenants:

1. Access. If the Investor is not represented on Company's Board of Directors (the "**Board**"), then the Investor shall be entitled to consult with and advise management of the Company on significant business issues, including management's proposed annual operating plans and long-term strategic plans, and management will meet with the Investor regularly during each year at the Company's facilities or remotely, at mutually agreeable times, for such consultation and advice and to review progress in achieving said plans. The Investor may examine the books and records of the Company and inspect its facilities and may request information at reasonable times and intervals concerning the general status of the Company's financial condition and operations; *provided that* access to highly confidential proprietary information and facilities need not be provided.

2. Observer Rights. If the Investor is not represented on the Company's Board, the Company shall, concurrently with delivery to the Board, give a representative of the Investor copies of all notices, minutes, consents and other material that the Company provides to its directors, and shall invite such representative to attend all formal and informal meetings of the members of the Board and committes of the Board. Such representative may participate in discussions of matters brought before the Board and any committee thereof, but shall, in all other respects, be a nonvoting observer. Notwithstanding the foregoing, such representative may be excluded from access to any material or meeting or portion thereof if the Board determines, in good faith and upon advice of counsel, that such exclusion is reasonably necessary to preserve the attorney-client privilege, to protect highly confidential proprietary information, or for other similar reasons. Upon reasonable notice and at a scheduled meeting of the Board or such other time, if any, as the Board may determine in its sole discretion, such representative may address the Board with respect to the Investor's concerns regarding significant business issues facing the Company.

3. Financial Statements. The Company shall deliver to the Investor the following financial information: (a) as soon as practicable, but, in any event, within one hundred twenty (120) days after the end of each fiscal year of the Company, (i) an unaudited balance sheet as of the end of such year, (ii) unaudited statements of income and of cash flows for such year, and (iii) an unaudited statement of stockholders 'equity as of the end of such year, all prepared in accordance with GAAP; *provided, however*, that if audited versions of any of the foregoing are available, the Company shall deliver those instead; (b) as soon as practicable, but in any event within forty-five (45) days after the end of each of the first three

Docusign Envelope ID: [envelope id]

quarters of each fiscal year of the Company, unaudited statements of income and cash flows for such fiscal quarter, and an unaudited balance sheet and a statement of stockholders ’equity as of the end of such fiscal quarter, all prepared in accordance with GAAP (except that such financial statements may (i) be subject to normal year-end audit adjustments; and (ii) not contain all notes thereto that may be required in accordance with GAAP); and (c) as soon as practicable, but in any event within forty-five (45) days after the end of each quarter of each fiscal year of the Company, the Company’s capitalization table, in sufficient detail as to permit the Investor to calculate its percentage equity ownership in the Company.

4. **Pro-Rata Investment Rights**. Investor shall have the right to participate in each New Securities Offering (defined below) conducted by the Company through and including the New Securities Offering in connection with which the Investor’s SAFE converts into equity securities of the Company (the “**Conversion Financing**”), and, for the avoidance of doubt, *each issuance of New Securities thereafter, as well*. A “**New Securities Offering**” is a sale by the Company of its capital stock (or securities convertible into or exchangeable for capital stock) for cash, but does *not* include grants or issuances of common stock pursuant to the Company’s stock option plan (or equivalent equity incentive plan for employees and consultants) (a “**Plan**”). The Company shall give notice to the Investor of each New Securities Offering, and the Investor shall have ten (10) days from the time of such notice to elect, by written notice to the Company, to purchase up to its Pro Rata Share (as defined below) of the securities proposed to be issued in such New Securities Offering, on the same terms as the other investors participating in such New Securities Offering. For purposes of this Section, the Investor’s “**Pro Rata Share**” shall mean, at the time of calculation, the portion of the total equity securities of the Company issued and outstanding that is held by the Investor and its affiliates (assuming the full conversion, exercise or exchange (irrespective of vesting) of all issued and outstanding options, warrants or other securities convertible, exercisable or exchangeable into equity securities of the Company, including, without limitation, the Investor’s SAFE) and including any securities reserved for issuance but unallocated under any Plan as of or in connection with such New Securities Offering, and calculated on an as-converted basis. Such foregoing calculation of the Company’s issued and outstanding equity securities shall assume that, in the event that any convertible indebtedness of the Company (including, without limitation, the Investor’s SAFE) will not be converted into equity securities of the Company in the New Securities Offering, such convertible security is converted into Company equity at the lowest conversion price set forth in the respective agreements governing such convertible security. Notwithstanding anything to the contrary herein, the Investor may, in its sole and exclusive discretion, assign all or any portion of its rights under this Section to its affiliates who are “accredited investors” under the Securities Act of 1933, as amended, and in such proportions at it deems appropriate.

6. **Company Intellectual Property**. The Company owns or possesses sufficient legal rights to all Intellectual Property (as defined below) that is necessary to the conduct of the Company’s business as now conducted and as presently proposed to be conducted (the “**Company Intellectual Property**”) without any violation or infringement of the rights of others. To the Company’s knowledge, no product or service marketed or sold or proposed to be marketed or sold by the Company violates or will violate any license or infringes or will infringe any rights to any patents, patent applications, trademarks, trademark applications, service marks, trade names, copyrights, trade secrets, licenses, domain names, mask works, information and proprietary rights and processes (collectively, “**Intellectual Property**”). The Company has not received any written communication that the Company has violated or, by conducting its business, would violate any of the Intellectual Property of any other person. All current and former Company founders, employees and consultants have assigned to the Company all rights he, she or it owns to Intellectual Property related to the Company’s business as now conducted and as presently proposed to be conducted.

7. Company Liabilities. Schedule A, attached hereto, lists all outstanding indebtedness and other obligations or commitments of the Company owing to any third party, as of the date hereof, in excess of Seven Thousand Five Hundred Dollars ($7,500.00), either individually or in the aggregate. There is no pending action, suit, proceeding, arbitration, mediation, complaint, claim, charge or investigation before any court, arbitrator, mediator or governmental body, or to the Company's knowledge, currently threatened (a) against the Company, or (b) against any consultant, officer, director or key employee of the Company arising out of his or her consulting, employment or board relationship with the Company or that could otherwise materially impact the Company.

8. Confidentiality. The Investor agrees, on behalf of itself and any of its representatives on the Board, that it will keep confidential and will not disclose, divulge, or use for any purpose (other than to monitor its investment in the Company) any confidential information obtained from the Company pursuant to the terms of this letter, unless such confidential information (a) is known or becomes known to the public in general (other than as a result of a breach of this letter by Investor), (b) is or has been independently developed or conceived by the Investor without use of the Company's confidential information, or (c) is or has been made known or disclosed to the Investor by a third party without a breach of any obligation of confidentiality such third party may have to the Company; *provided, however*, that the Investor may disclose confidential information (i) to its attorneys, accountants, consultants, and other professionals to the extent necessary to obtain their services in connection with monitoring its investment in the Company, (ii) to any prospective purchaser of any Company securities from the Investor, if such prospective purchaser agrees to be bound by the provisions of this paragraph, (iii) to any existing or prospective affiliate, partner, member, stockholder, or wholly owned subsidiary of the Investor in the ordinary course of business, provided that the Investor informs such party that such information is confidential and directs such party to maintain the confidentiality of such information, or (iv) as may otherwise be required by law, provided that the Investor promptly notifies the Company of such disclosure and takes reasonable steps to minimize the extent of any such required disclosure.

The rights described in this Letter shall terminate and be of no further force or effect upon the earliest to occur of (a) such time as no Company securities (including debt, equity, or securities convertible or exercisable for debt or equity securities) are held by the Investor or its affiliates; (b) the consummation of the sale of the Company's securities pursuant to a registration statement filed by the Company under the Securities Act of 1933, as amended, in connection with the offering of its securities to the general public that results in proceeds of no less than $25,000,000 to the Company; or (c) the consummation of a merger or consolidation of the Company that is effected (i) for independent business reasons unrelated to extinguishing such rights; and (ii) for purposes other than (A) the reincorporation of the Company in a different State; or (B) the formation of a holding company that will be owned exclusively by the Company's stockholders and will hold all of the outstanding shares of capital stock of the Company's successor.
